Dear Parents,

As we navigate the ever-changing landscape of social media and the internet, we want to proceed carefully with the way we use photography in our ministry. Children love to see images of themselves, and we want to share these photos as symbols and reminders of who we are. The consent form below allows us to use your child's picture on our website and/or Facebook page. We will only post pictures of children whose parents give consent. We will primarily use group photos and will never post, "tag," or mention names.

Also, we request that parents and other adults who choose to take pictures NOT post any pictures to our website or Facebook page. Photos taken can be considered for posting by e-mailing them to the church office for approval and possible posting. This will help in assuring that we use quality photos that best present our ministry and honor the wishes of parents and children.

Thank you for your cooperation as we continue to work together in shaping the lives of our children and families!

Grace and peace,

Rev. Bill Johnson

Parent Permission for Use of Images

NOTE: Each student needs a separate form.

Occasionally, photos of students are included on our church website (www.cedarspringsumc.org) and/or Facebook page. We DO NOT include the name of your child or "tag" them in the picture. In order for your child's image to be included in either of these areas, we must have your written permission on file. Please complete a form for each of your children and return it to either the church office or mail it to: Cedar Springs United Methodist Church, P.O. Box K, Cedar Springs, MI 49319. Any changes to the permission granted on this form must be received in writing using a new form and submitting it to the church office.
