Church News

UMCOR has a Covid19 Response. The Advance #3022612 is the one to use if you want to designate a gift through UMCOR. There are many charities collecting for a response to the current virus situation. Do remember that UMCOR has a very high rating and ALL of your gifts will go for this purpose as the cost of administering the fund has been covered.

Michigan United Methodists are encouraged to respond to the recent **floods in the Midland area**. If you choose to give to help with recovery efforts, mark your gift Michigan Area Disaster Response #4407.
