Church News

The mission trip to the Habitat affiliate in Manistique is on. We slid the days from July to 2-8 Aug. As of now four of us are planning to go. From a COVID-19 perspective, only four cases of the virus have been reported in the area as of now. So, it's probably safer there than here! We will be working on a storage pole barn on the Habitat site. If the weather is bad, there is a house that they are beginning to rehab a few blocks from the building. If you are interested in going, please email me at tomnoreen@aol.com

Vacation Bible School 2020

Our usual summer program will be replaced with VBS kits that include the CD or digital download of *Hans Bronson's Gold Meal Mission*.

"As a guest speaker in Anytown, USA, Olympic contender Hans Bronson experiences a life-changing event with the help of three student reporters. Even though Hans is brawny and strong, he soon realizes that physical fitness is no substitute for the spiritual fitness a growing relationship with Jesus Christ can bring." Please call or email Nancy Noreen to sign up for a kit and indicate if you'd prefer a CD or digital version of the program. 696-5186 or nanoreen@aol.com
